Indoor Lighting and Posing Class

@ Valley Camera in Appleton

Saturday February 20 10am-4pm

Topics covered during the class will include the use of studio lighting with strobes and reflectors, setting correct exposure for indoor portraiture, photographing using unique items such as smoke machines, fire, etc. Posing individuals, couples and groups in indoor settings will also be discussed.

This is a great opportunity to learn from an experienced photographer and also the chance to photograph a subject of your choice in an Indoor Studio setting.

Class limited to the first 6 students.

Cost is \$80 and includes lunch, refreshments and usage of the indoor photography studio for your subjects.

Payment must be made by February 10th to insure your spot in the class.

Call 715-824-5133 if you have any questions or would like more information.

Registration Card (please send with payment)

(Please note if you are planning to bring people to be photographed. The people should arrive between 1-1:30 to be photographed. Please indicate if the people being photographed are coming for the entire day as there will be a \$7.00 per person charge for the lunch. We need to know this by February 20th so that the proper number of lunches can be ordered.)
